IRELAND A VAST ARMED CAMP AND FIGHT FEARED

SHARP COLLISION IN OMAGH OF
VOLUNTEERS ON BOTH
SIDES.

LONDON, July 2.—When the bill to amend the Irish home rule bill came up today for second reading in the house of lords, the Marquis of Lansdowne, the Unionist leader, announced that as Ireland was one vast armed camp, it was necessary to find a way out of the calamity which was threatening.

Ulster volunteers, have been notified, according to the Belfast Echo, that the time has arrived when on an order from their commanding officers the men may carry arms openly and that any attempt to seize the arms or the volunteers who may be carrying them in accordance with this order is to be resisted.

At Omagh, in the County of Tyrone, yesterday evening, the rival volunteer forces, Ulsterites and Nationalists, came into collision and fierce fighting followed. Several civilians and policemen were injured; then the disorders were quelled by a constabulary charge, in which batons were freely used.

HUERTA AGREES TO DISCUSS PEACE WITH HIS ENEMIES

TROOPS REMAIN AT VERA CRUZ
UNTIL PRESIDENT IS
NAMED.

(By Associated Press.)
NIAGARA FALLS, July 2.—Huerta delegates have expressed a willingness to discuss peace measures for Mexico with the constitutionalists. The Huerta delegation wrote a note in response to word from the mediators suspending the conferences because the international side of the controversy had been adjusted, calling attention to the correspondence of Carranza asking for more time to consult his subordinates.

Disposition of the American forces at Vera Cruz is left for consideration until the two factions agree on a provisional president.

WIFE SUSPICIOUS OF HUSBAND PUTS IN A DICTAGRAPH

POLICE IN MURDER CASE INVESTIGATING THE ACTIONS OF
JEALOUS WIFE.

(By Associated Press.)
FREEPORT, N. Y., July 2.—Two weeks before Mrs. Louise Bailey was murdered in the office of Dr. Edwin Carman, someone called Carman to the telephone and threatened his life. The doctor told the district attorney with apparent reluctance. He refused to say whether the caller was man or woman. The sheriff found a dictagraph in the attic. Mrs. Carman admitted having used a dictagraph to hear what her husband said to women patients. "All I heard assured me of the doctor's fidelity to me," she said.

CHILD STRUCK BY AUTO
AND HAS NARROW ESCAPE

While the little son of Justice Dinsmith was playing on Florence street late last evening he happened to run out into the road in front of an approaching auto and was knocked down. The accident caused only slight bruises. Henry Martin, agent of the Sitka-Borghardt company, was driving the auto.

More Old Fashioned Love Is Recommended As Substitute for Eugenics Before Marriage

(By Associated Press.)
ATLANTIC CITY, July 2.—Less eugenics and more old-fashioned love is what the race needs, said Dr. Richey Horner, of Cleveland, before the sanitary science bureau of the American Institute of Homoeopathy. He said so long as man was attracted by beauty and woman by strength, eugenics would take care of itself.

The Catholic Educational association adopted a resolution condemning teaching sex hygiene in schools, on the ground that it degraded morals rather than promoted them.

TONOPAH BOOSTER HAS PERENNIAL CROP ON THE PACIFIC TO HARVEST

S. A. Knapp, one of the pioneers of Tonopah, is now engaged in a new and original field, backed by the government as one of the most feasible propositions suggested as a means of securing potash from seaweed. Mr. Knapp came from Candelaria and also was of the firm of Knapp & Laws, engaged in the mercantile business at Hawthorne. He located Ohio Tonopah group, which he sold to the West End Mining company, and conducted an office for promoting numerous other mining projects. He was one of the most enthusiastic boosters known to the early days of Tonopah.

JUNE WAS FREAKY MONTH WITH COLD AND HOT RECORDS

REMARKABLE RECORD OF A
FREAKISH MONTH IN THE
MATTER OF WEATHER.

June, 1914, will go down to history as a phenomenal month for this section of Nevada. The records compiled by Observer Pierce show that during the last thirty days Tonopah has had the coldest and hottest days in the records of the local office for June and the lowest percentage of sunshine. The highest was 92 degrees on the 29th and the lowest 30, on the 5th. The greatest daily range was on the 26th, when the highest was 78 and the mercury dropped to 45 in the evening. The absolute maximum for the month, extending over a period of seven years, is 91. The total precipitation for the month was .58 of an inch and the greatest rainfall for twenty-four hours was 2. of an inch on the 7th, compared with a normal of .44 of an inch. The entire precipitation accompanied the fire from September 1, 1913, to date is 4.84 inches, when the normal calls for 9.13 inches. The prevailing direction of wind was from the west and the total movement was 5,712 miles, with the greatest velocity on the 25th, when 40 miles was recorded for a period of five minutes. There was light frost on the 6th, a heavy frost on the 8th, and a killing frost on the 9th.

The humidity was 8 per cent above normal and sunshine 9 per cent less, with only two clear days reported.

REMAINS OF ROYALTY RECEIVED AT TRIESTE

IMPOSING DEMONSTRATION ON
THE LANDING OF THE
BODIES.

(By Associated Press.)
TRIESTE, Austria, July 2.—An imposing demonstration accompanied the landing from an Austrian battleship of the bodies of the assassinated archduke and duchess. Thousands thronged the waterfront, buildings were draped in mourning and stores closed. Generals, admirals and other officers of the army and navy were assembled. The caskets were placed aboard a special train which is due in Vienna tonight.

TOURISTS HAVE TROUBLE.

Harry Cotton, a Chicago real estate man, wife and daughter, who toured through the state in an automobile, met with an accident today as they were touring near Ocala. Mrs. Cotton's ankle was badly injured.

Teddy Takes Up the Rest Cure

(By Associated Press.)
OYSTER BAY, July 2.—The rest cure will be undertaken again by Roosevelt. He not only denied himself to visitors today, but refrained from work with his secretary.

STEAMER ASHORE WITH HUNDRED PASSENGERS IN ONTARIO

CANADIAN PACIFIC LAKE VESSEL
GOES ON ROCKS IN
GEORGIAN BAY.

(By Associated Press.)
MONTREAL, July 2.—The Canadian Pacific steamer Assiniboia, with 100 passengers, is ashore in a bad neighborhood on a shoal at Cove Island, Georgian bay. Although the forepeak is leaking, it is believed the steamer will be able to back off. The weather is calm. The steamer Manitoba was called to the assistance of the stranded vessel.

MOYER IN HELENA WAITING TO SEE DEVELOPMENTS

FEARS OF TROUBLE PROVE TO
BE UNFOUNDED; MEN
ARE AT PEACE.

BUTTE, Mont., July 2.—The two unions of the Butte miners, after holding undisturbed meetings last night, continued today to enroll members. What had been predicted would be a night of serious consequences passed quietly. No high officials of the Butte local, No. 1, of the Western Federation of Miners and no general officers of the federation are in Butte. These men still remain in Helena, where they sought refuge more than a week ago. Word has been received here that President Charles Moyer, of the federation, will not return to Butte and that he has delegated the work of saving the federation's union here to men who had not previously taken an active part in the organization's affairs.

LASSEN HEARD FOR FIFTEENTH TIME

THUNDERSTORMS TRACED TO
THE DISTURBANCES IN
CALIFORNIA.

(By Associated Press.)
REDDING, July 2.—For the third time in forty-eight hours, Lassen peak again broke into eruption, being the fifteenth outburst. The volume was not quite as great as yesterday. Observers on the slopes of the mountain sent word that recent eruptions had been followed by severe thunderstorms. Ashes fell a distance of sixteen and twenty miles. In Shasta and Tehama counties the air is hazy.

ESTES BULLET REMOVED
AND PATIENT RALLIES

A wire received this morning from Dr. Sumner, of the Lane Hospital, San Francisco, stated the bullet had been removed from the spine of Harry Estes, and that the condition of the patient was fair. This is better than what had been expected and leads to the hope that Estes may survive the accident.

ONE MORE OF THE GANG WOUNDED ESCAPES WITH A THIRD MAN PURSUED BY TWO POSSES

(By Associated Press.)
PENDLETON, Ore., July 2.—One bandit was killed and another robber and deputy sheriff wounded in a battle in a chair car of an Oregon and Washington railroad and navigation company passenger train when three masked robbers held up the train near Menahan. They robbed the passengers and express car. One wounded robber and a companion escaped to the mountains. Two posses are in pursuit. The wounded deputy is M. C. Duffey, of Heppner.

ULTIMATUM OF POWER COMPANY BROUGHT COMSTOCK HEADS TO TIME

From parties passing through to Virginia City from San Francisco it was learned this morning that the settlement of strife among the contentious forces of the Comstock mines was due to the action of the company which furnishes power for the operation of the pumps and other machinery at the mines.

On Monday the power company issued an ultimatum that unless all trouble was settled and the various companies ready to proceed to work on an amicable basis, power for all purposes would be shut off in ten days. The determination on the part of the power company got the heads of the mining companies to work at auto speed. A meeting was called in San Francisco, plans presented and considered and finally an amicable arrangement reached, by which all work hereafter will be done under the supervision of a "syndicate" committee, meaning that a representative from each company will be on the committee.

ROCK IN POSITION FOR THE DRILLERS ON THE FOURTH

BIG STONE WHEELED INTO
PLACE NEAR THE MIZPAH
HOTEL CORNER.

The rock for the drillers is in place opposite the State bank and the platform will be erected tomorrow, when carpenters will also take hold of the stand for the tug-of-war on the site of the old Knights of Pythias hall. This platform will be six feet above the street so all may see the giants struggle for supremacy.

Householders and business men are invited to attend to the decoration of their places so as to enhance the effect of the jubilee appearance of the camp. Electricians began today to string the lines of colored lights on Main street between the depot and Erie streets. Tickets for the prize fight are going nicely and those who wish to attend should bear in mind that the first event will not be called before 9 o'clock on the night of Friday, July 3rd.

FORMER AUSTIN BOY DIES IN ELKO COUNTY

Bert J. Polkinghorne, son of Mrs. C. Polkinghorne, of Golconda, died Saturday morning at the home of his sister, Mrs. R. B. Stewart, at Reed's station, Elko county, after a lingering illness. He was twenty years of age and was a native of Austin, this state, of which place his parents were pioneer residents.

Besides his mother he is survived by two brothers, William and Walter Polkinghorne, of Golconda, and two sisters, Mrs. George Brady, of Gold Circle, and Mrs. R. B. Stewart, of Reed's station.

The funeral was held at Golconda Monday afternoon, the services being conducted in the Episcopal church by Rev. P. H. Willis, of Winnemucca. Elko Free Press.

WARRING ON RATS TO STOP BUBONIC

NEW ORLEANS, July 2.—Dr. Robert H. Hargrett, general of the United States public health board, arrived today to investigate bubonic plague conditions. Six thousand baited rat traps did duty in the infected section. W. W. Wilkins, a victim of the disease, is said to have been bitten by some prior to development of the plague.

McDuffey, traveling as a passenger, killed the bandit after himself being wounded. McDuffey was shot above the heart, but it is believed he will recover. The amount of money and valuables taken is not known. A gold watch found on the dead bandit had "Hugh Whitney" inscribed on the back. Hugh Whitney is a noted desperado who is wanted for a long list of depredations in Montana, Idaho, Wyoming and other states.

J. P. MORGAN VISITS WITH PRESIDENT AT WHITE HOUSE

CAPTAINS OF INDUSTRY INVITED
TO TALK OF FINANCIAL
CONDITIONS.

(By Associated Press.)
WASHINGTON, July 2.—J. P. Morgan and the president had nearly an hour's conference in the White House on general conditions. It is the first of a series of talks the president proposes to hold in the near future with captains of industry and finance, for the purpose of learning their views and giving his own on the industrial and financial situation of the country as well as measures before congress.

Morgan refused to disclose what had taken place. On leaving he said: "My visit with the president was cordial. You will have to ask him what we talked about."

TONOPAH CALIFORNIA SUIT WILL CLOSE THIS EVENING

The hearing of the suit of Receiver Wildes in connection with the Tonopah California mining claims will close this evening, as testimony is all in, and the attorneys will submit their cases tonight.

ORDERED TO LEAVE TOWN.

Mullally, who flourished a gun the other evening and threatened to shoot up the town, was given a booster by Justice Dunsen and ordered to leave without waiting for a freight train to turn up.

CARNEGIE MONEY USED TO ADVANCE DESERT RESEARCH

PHENOMENA BEING INVESTIGATED
TO DISCLOSE MINERAL
KNOWLEDGE AND DATA.

Dr. B. T. McDougal, one of the foremost scientists of the world, spent last night in Tonopah and left today for Reno, making the journey overland in a small touring car large enough to carry a camping outfit and the few personal effects needed by two men in the wilderness. His companion is E. E. Free, formerly of the United States geological survey and lately of the Railroad valley potash explorations.

Dr. McDougal is director of desert research with headquarters at Tucson, Arizona, where the Carnegie Institute maintains a staff and field laboratory without any restrictions on expenditures so long as they are authorized by the director. The present trip is one of reconnaissance for the purpose of acquiring information of geological and historical value to be incorporated in a scientific work on the deserts of the southwest. He is a traveler of world-wide experience and his opinions are eagerly sought as an authority.

Mr. Free and Dr. McDougal left Mojave last Monday and stopped over a day at Owens lake, where some interesting observations were made, and came through by way of Big Pine, arriving here last evening.

PETITION TO REMOVE RECEIVER WILDES

PETITION OFFERED DEPOSITORS
TO CUT DOWN EXPENSES.

A. W. Briggs is circulating a petition for the removal of Frank Wildes as receiver of the defunct State Bank and Trust company, and depositors who have not been approached may find Mr. Briggs on dropping a card in the postoffice. The petition urges the removal on the ground of general extravagance in the conduct of the office. The appointment of Hon. Jewett Adams, a former governor and a gentleman of tried probity, who renders his services free of cost, is recommended by the petitioners who are making an effort to save enough for at least one more dividend.

GOLDFIELD MOOSE VISIT THE TONOPAH SMOKER

Tonopah Moose were surprised last evening at their smoker by the arrival of a bunch of spreading antlers from the neighboring reservation of Goldfield. The boys came without any warning and did their part in making a success of the flint. The smoking programme was fitted out satisfactorily by Henry Murphy and Young Kinsella for the juniors and Joe Murphy and Jimmy O'Connell for the seniors. The entertainment was brought to a close with a luncheon, which was heartily enjoyed.
